PLM External Portal

User Manual

2023/10/12

1.	Introduction	3
2.	Login Method (A): if your organization integrated with Azure AD already	4
3.	Login Method (B): if your organization NOT integrate with Azure AD yet	10
4.	Q & A	18

1. Introduction

Acer is working on a project to implement Azure AD B2B solution that will secure the login process when you access acer PLM external site. This manual will help you to understand how to complete the login process by new solution.

This new login process is different with previous login way, but we believe that these changes will offer you enhanced security and a better user experience. In this manual, we will provide detailed explanations for each step, as well as how to successfully log into your account. We will also offer answers to frequently asked questions to assist you in overcoming any potential challenges.

We hope this manual provides you with clear guidance, enabling you to fully utilize our website. Please feel free to contact our support team at any time if you require further assistance or have any questions. Thank you for your continued support, and we look forward to introducing you to this new login process.

2. Login Method (A): if your organization integrated

with Azure AD already

2.1. Log in to the URL "https://plmportal-uat.acer.com.tw/PLM_EXPortal" and click on the hyperlink.

4. Q & A

Q: Is it mandatory to install Microsoft Authenticator?

A: Yes, due to account security requirements, MFA (Multi-Factor Authentication) is needed for login verification. It's essential to install Microsoft Authenticator to complete the login process.
